

Due to recent regulations, Governor Cuomo has limited all restaurants to takeout and delivery only. We are officially on Door Dash to offer a delivery service. We will also provide curbside service for pick up only, just call the restaurant at **(716) 634-1804** and will bring it out to you. We will start our delivery services from Noon to 8pm, with all menu and catering options available!!!

In addition, these are our best freezable / Sustainable options to make sure our customers can still enjoy our product at a later time.
